The following steps are to be followed when registering 6-10 players for the same team in grades 9 - 12:

1. Coach must complete the attached team approval form (back) and return it with each player's registration form and payment. Please make sure all forms are filled out, front and back, completely and accurately. If additional players request to be on your team, but were not included in the original team approval form, they may be added to your team upon availability. Listing a player does not guarantee they will be on your team and a spot will **NOT** be held.
2. Please balance your team with both grade levels. Borderline teams may be required to play up a division. 5/5 is the ideal, 6/4 tolerable, 7/3 questionable. Example: five 9th graders & five 10th graders, etc. Players should play in their AGE appropriate grade.
3. Our goal is to provide all players with a fair level of competition.
4. Register as soon as possible to insure availability.
5. All players are required to sign the Sportsmanship agreement that is attached to your team roster.
6. Thank you for your honesty and support!
